- Addition and subtraction word problems using the four operations.

Reminders:

Make sure that you are signing your child's planner every night this is how we communicate with parents in the fourth grade.

Thanks to all the grandparents who came for grandparents day!

Events/Reminders

Friday, October 20th

After a study of Christopher Columbus, the fourth grade classes will be going to the River Market area in Little Rock to see the replicas of the Nina and The Pinta. Please send \$6 by Friday, October 13th to cover admission to see the shops and to defray the cost of the buses. Each child will need to bring a sack lunch and two canned drinks for the field trip. After we eat lunch at a park in the River Market area we will then take the bus to interstate 430 and walk from Little Rock to North Little Rock on the big bridge!
