Parents can also start a fan group for their child and leave comments! Parent emails will be used to send notifications when student's art has been uploaded to the Artsonia website. Principal's Corner

It has been absolutely wonderful this week seeing all of the donations and efforts from our students, families and staff to show extra kindness to those around them. I hope that your child was able to see how being kind to others brings joy to all of those involved. We also celebrated our 100th day of school today! This is always a fun day for the students and it makes me so aware of the fact that the school year is flying by. As the weather is beginning to warm a little, and a hint of Spring is in the air, please be sure to check Facebook, the app, grade level newsletters and our school webpage for upcoming events and community offerings. Have a great weekend!
