We will be open from 8:00-4:00 on Monday and Wednesday, Tuesday from 8:00-7:00 pm and Thursday from 8:00-1:00. The book fair will be over at 1:00 on Thursday, November 16, 2017. Parent-Teacher Conferences

Parent-teacher conferences will be October 25th and 26th from 4:00-7:00 p.m. All classroom teachers have either sent home paper forms or used an electronic sign up method to schedule times. If you have questions, please contact your teacher. Please make every effort to attend these conferences as we have had several changes to the report card and curriculum this year and our teachers are ready to share these exciting changes with you. Additionally, this is a time where you are able to hear about how your child is doing and ask any questions that you may have.

Snack Days

This Thursday, October 26th, is our next scheduled snack day. In an attempt to have minimal interruptions in the day's instructional time, we are asking that parents refer to the CLE Parent Guide for more clarification on snack day and/or school party procedures. The Parent Guide can be found on our school webpage and the snack day/party day descriptions are on pages 9-11. As always, if you have any questions, please feel free to contact the front office. Thank you!

Cooler Weather

Parents, as the weather cools off and your children begin to wear jackets, gloves, hats, etc., please be sure to label them so that we can return them easily in the event that they are lost.

Principal's Corner

What a wonderful week this has been! The PTO Fall Bash was such an enjoyable time, even though I *did* get dunked in the dunk tank! Thank you to the PTO Board for organizing such a festive event. I also want to thank all of the volunteers, sponsors, teachers and families who donated their time to support our school. Our school would not be able to do it without all of you. As we look into the next week, I hope that you are planning on attending parent-teacher conferences. We have continued to grow as a school, (up to around 570 students) so this 1:1 time with your child's teacher is another way that you can help to monitor and impact your child's academic success. I hope that you all have a wonderful weekend and I look forward to seeing you on Monday...in pajamas... for our first Red Ribbon Week "Key to Be Drug Free" day!
