Read Across America

Our reading program "Reading Will take you Places" started Monday, October 2. Parents, letters and the first reading logs were sent home at the end of last week. If you need another, please have your child visit Mrs. Toney for a new log. As you and your child read, complete the log and when it is completed, please sign it and have your child return it to the library so that he/she can receive a prize and new log. The program will continue until March 30, 2018! This is a wonderful way to not only support our library but to establish a love of reading with your child. Remember, reading takes you places!

Cooler Weather

Parents, as we move into a season of cooler weather please be sure to label your child's coats, jackets, hats, gloves etc. so that we are able to return them if/when they are lost.

Parent-Teacher Conferences

Parent-teacher conferences will be October 25th and 26th from 4:00-7:00 p.m. More information will be coming home soon from your classroom teacher so that you can sign up for a time. Please make every effort to attend these conferences as we have had several changes to the report card and curriculum this year and our teachers are ready to share these exciting changes with you. Additionally, this is a time where you are able to hear about how your child is doing and ask any questions that you may have. Also, if your child receives intervention with Mrs. Barnes, Mrs. Pritt, Mrs. Krell or therapy with Mrs. Rogers, please be sure to meet with them as well.

PTO MEETING

Principal's Corner

They say that time flies when you are having fun. If this is the case, we must be having a ton of fun at CLES because our first quarter will end on Thursday, October 12th! We are now in my favorite season of the year, and I am looking forward to the fun events and activities that the classes have planned over the next few months to enrich our students' education and elementary school memories. Thank you to all of you who participated in our Garden Plant Sale and our Chick-Fil-A Spirit Week. Your contributions to both of these events will only help us to better serve our staff and students. Have a great weekend!
