Student Wellness Initiative

Healthy Choice calendars have been sent home! Remember to mark each day you make a healthy choice of eating 5 fruits/veggies and/or moving around at least 30 minutes outside of school. With the holidays approaching, we all need to be moving more and eating healthier. Keep making those healthy choices!

Thanksgiving Break

Per the Conway Public Schools calendar, the school will be closed from Monday, November 20th - Friday, November 24th in observation of the Thanksgiving holiday. Please make arrangements, as necessary, for the care of your child(ren). We hope that you are all able to enjoy this time with your friends and family.

Principal's Corner

What a busy week! Our bookfair began this week and it was so fun seeing the students excited about their new reading adventures, diaries, posters, etc! Thank you for supporting our library. Tuesday, we held our Sports Night and we had a great turn out. We hope that our male students and their guests enjoyed the games and were able to learn about the new math curriculum and how it develops across the grades. Thursday was our Thanksgiving lunch for kindergarten, 2nd and 4th grade students. Our wonderful food service staff prepared a delicious meal for roughly 660 students and their guests. Thank you Ms. Monica and your crew for your dedication and culinary skills! This morning we held our intruder drill. While this is not a comfortable issue to address, knowing that our staff and students are prepared in the event of a catastrophe is not only vital but also very reassuring. Thank you for your cooperation with this. I hope that you all have a wonderful Thanksgiving with full of good memories with family and friends.
