The annual book drive is underway and a donation box can be found in the office. All donations must be in by December 1st. CAPCA will then distribute donations to residents of Faulkner and Cleburne Counties.

CLE Sport Night: A Father/Son Event

On Tuesday, November 14th at 5:00 CLE will be hosting a father/son Sport Night. We hope that you are able to join us for a fun evening of games and sport events. Additionally, you will be able to enjoy some popcorn and a cold pop during our halftime show where you will be able to learn about new educational advances in our school as well as our Watchdog D.A.D. program! More information will be coming home soon.

Speed Stacking

We are currently doing Sport Stacking in PE. One of my goals is to promote activity at home through positive alternatives to computer, TV & video game screen time. I believe Sport Stacking is a unique, fun & simple activity that motivates kids to get up and move. I have Speed Stacks Sets, StackMats and Minis for students to purchase here at the school with an added benefit of raising funds for our PE program.

- Sport Stacking is healthy for kids.
- Sets are \$20.00. Pro Series 2 sets are \$25.00. StackMats (mat, timer and gear bag) are \$20.00. Minis are \$10.00. You pay no shipping, PLUS, the school will earn 20% of your purchase in equipment for our PE program.
- Speed Stacks Sets, StackMats and Minis are available for immediate purchase. First come, first served on color and design choices.

Act now, I have a limited supply of colors and quantities. A student form will be going home with your student. Please choose from the list on the form and encourage your student to have a second choice in mind. Return the form and payment to the school (checks should be made payable to the school).

Wild West Book Fair

Carolyn Lewis Elementary Library will be hosting a Wild West Book Fair November 13-16, 2017. We will be open from 8:00-4:00 on Monday and Wednesday, Tuesday from 8:00-7:00 pm and Thursday from 8:00-1:00. The book fair will be over at 1:00 on Thursday, November 16, 2017. Thank you for supporting our school library!

CAPCA Canned Goods

During our red ribbon week festivities, we asked students to bring a canned food item on Thursday to support healthy eating habits. Thanks to your donations, we were able to collect around 300 cans of food. Thank you for your generosity!

Veteran's Day Recognition

Parents and students, if you know of a veteran that would appreciate a card for veteran's day, please e-mail their name and address to Ms. Fisher at fisherj@conwayschools.net by Monday, November 6th.

Intruder Drill

On November 17th, CLE will hold its first intruder drill for the year. During this time, we will ask teachers to instruct their students on how to best "shelter in place" so that students are familiar with the process in the event that we would have to lock down our school. This means that, when instructed, students will move to a designated spot inside their classroom and practice being silent and unseen. While we know that this can be uncomfortable to think about, please know that our intentions are always to ensure the safety of our students and staff first and foremost. We can assure you that we will take every precaution to make this an easy, pleasant experience. If you would like to, please visit with your child about this process as you think appropriate. If you have questions, please contact the front office.

Student Wellness

Principal's Corner

The cooler weather and rainy days have really made it feel like fall lately. I cannot believe that we are only 3 weeks away from Thanksgiving. Parents/guardians, please watch the school app, webpage and Facebook for updates on activities and deadlines so that you don't miss out on a fun opportunity or event. I hope that you all have a safe and wonderful weekend. I look forward to seeing you on Monday.
