Nurses Notes

-As a follow up to lessons that were done in February for Dental Health Month, this week I sent home toothbrushes to every student. Thank you Mrs. Schwartz for getting them for us from Colgate, Bright Smiles, Bright Futures program. It is recommended to change your toothbrush out every three months or after being sick. Let's change out your child's toothbrush and start Spring off with a smile!
-BMI (Body Mass Index) reports are available for K,2, and 4. If you would like one on your child please email Nurse Shelly at glennsh@conwayschools.net or call the school to request it to be sent home.

CLE Talent Show

Do you like to sing? Dance? Tell jokes? Hula Hoop? Do rope tricks? Can you do fancy dribbling? If so, get ready! The Carolyn Lewis Talent Show will be Wednesday, May 23rd in the cafeteria. This is an opportunity for you to show off your talent to the whole school. Here are a few of the guidelines-

1. Performances can not be longer than 2 ½ minutes.
2. Students will not be allowed to sing over a tape with a voice already on it. They must sing with an instrument or have an accompaniment tape/CD instrumental only.
3. Words to songs and dance moves must be appropriate (if in doubt . . . don't do it.).

More information will be sent home closer to the date. So start thinking…….

Running Club

Testing Reminder

Parents, please remember that over the course of the next few weeks, each grade level will be completing their state mandated, standardized tests. While we know that our teachers and students have done their part to prepare we ask that you help at home by making sure that they 1). Get enough sleep, 2). Get a good breakfast 3). Are confident in their skills and 4). Are on time for school. Thank you!

Principal's Corner

We have officially reached the busiest time of the year and, while it can be quite crazy at times, I always look forward to it. This is the time where we are able to see the growth of our students and our school. We are also able to host events that, we hope, the students remember fondly when they later think about their time in elementary school. As we continue to make these plans for our school and students, I ask that you please plan on attending the PTO Meeting on Monday at 4:30 as we elect members for next year's executive board and discuss the events scheduled over the next 7 weeks of school. As always, I hope that you have a wonderful weekend. Let's hope it warms up a little!
