

Cougar Tales

May 19, 2017

Dr. Tina Antley
Principal
Mrs. Jessica Williams
Assistant Principal

Talent Show

The talent show will be Wednesday morning at 8:30 and then again in the afternoon at 1:30 in the cafeteria. We will notify all participants and family members of which time you will perform. You can bring props, costume, etc. that are needed that morning. A keyboard, chair & small table will be the only things provided.

Last Day of School

Per the district calendar, the last day of school will be Thursday, May 25. After this date, if needed, you will need to find childcare for your child/children until school resumes on August 14th for the 2017-2018 school year.

Lost and Found

Parents, we still have A LOT of unclaimed clothing items and accessories. PLEASE, take time to come and look at our lost in found if your child is missing anything. All items not collected by the last day will be donated to a local agency.

Chemo Care Bags

The deadline for Chemo Care Packages has been extended until Monday, May 22nd

Note from Mrs. Fisher

Thank you Jen and Thad McCracken, Thomas and Jenny Cabantac and Howard Katchur for volunteering at our 2nd Annual Career Fair. The students really enjoyed the presentations and made several remarks about their new goal aspirations because of you all!

Pop Tabs

Thank you for helping us collect pop tabs this year to help Ronald McDonald House! The classrooms in each grade level that collected the most pop tabs for the year are: K – Sutterfield; 1st – Echols; 2nd – Slay; 3rd – Smith; 4th -Tyler Please continue to collect pop tabs over the summer as we will be collecting again next year.

A Note From Mrs. Jami

A HUGE thank you to all of the volunteers that came out this week and helped with Spring Olympics! We could not do it without each of you. Thanks to Mrs. Brandy Collins and her students for volunteering at the track each day-they were a tremendous help! Thank you to Shakria Warren for helping organize volunteers, ribbons, medals, etc. Thank you to our PTO volunteers and other parents that helped with ribbons and medals each day. Thank you to all who came out to support the students. It means a lot to have someone cheering them on

Garden News

Thank you to everyone for such a great year! Our garden has been transformed and we are so excited by all the support we have received from parents, staff, and the community. We know that next year we are going jump into cultivating a healthy community of students.

Next year, not just Carolyn Lewis will receive hands-on garden/cooking/nutrition classes. We are excited to hear that Ida Burns, Florence Madison, and Theodore Jones will be supported by a FoodCorps service member with a goal to grow a school-wide community of health. Additionally, congratulations to all the schools in Conway – as a district, all 16 schools have at least two raised garden beds!

Art Club

There will be no more art club this year. Thank you for a wonderful year full of creativity! Also, please be on the lookout for your student's portfolio that is coming home.

Library Books

All library books are due back to library! Thank you!

Principal's Corner

This is always such a fun (and hectic) time of year. Seeing the students enjoy time together as a class during Spring Olympics, their awards assemblies and on field trips warms my heart as these are the elementary experiences that I remember so fondly myself. This year has been one for the books! We, again, were the largest elementary school in Conway and because of our wonderful staff, PTO and parent support, our students were able to excel even among the busyness that having around 550 students creates.

I want to, again, thank our 2016-2017 PTO Board. These women have gone above-and-beyond this year to serve our school, our students, and our teachers. The hours have been countless, but the impact you all have made on our school will last for decades to come. We hope that all our parent and community volunteers can join us for a parent/community helper thank you breakfast on Tuesday, May 23rd from 8:15-8:45 in the cafeteria.

Next week will be yet another busy week. On Monday, our fourth grade students will travel to Carl Stuart Middle School to tour their campus and get a feel for what middle school has in store for them. Then on Tuesday, we will have our annual end of the year celebration day. Please check Facebook and our webpage for ways to serve. Wednesday will be our school talent show. I am always so humbled by our student's courage and the talents that are displayed are always a treat!
