## Pop Tops for Pinnacle

WE NEED YOUR HELP! Fourth grade Pinnacle students are collecting pop tabs to help the Ronald McDonald House. You can help! Please pull the tabs off of aluminum soda cans, vegetable/soup cans and pet food cans and send them to school with your child. This will be a yearlong contest among classrooms. A prize will be awarded to the classroom in each grade level collecting the most pop tabs. Thank you for helping us make a difference!

## Choir News

## Flu Clinics

The Faulkner County Health Unit will be having a school mass flu clinic again this year *for Conway Public School students and staff only*. Consents will be available that evening, or if interested, you can pick one up at your child's school. If applicable, the consents will ask for insurance information so please have that available that evening. Another option is to register your child at below link. 4:00 - 7:00

## Artsonia

Parents, please check your child's take-home folder for an Artsonia slip and go online and enter the parent code so that you can see your child's artwork. Sometimes art is not sent home when finished, it is displayed on the school walls for all to enjoy. Artsonia offers you the opportunity to view your child's art as well as purchase gifts through their online shop with your child's art on it. It is a great way to support the Carolyn Lewis Art program because a percentage of items purchased help me to buy art materials! If you need a new Artsonia slip with your child's code please email me at [willisc@conwayschools.net](mailto:willisc@conwayschools.net). Thanks!

## Principal's Corner

I cannot believe that fall is here and that next week is the first of October! The 1<sup>st</sup>, 2<sup>nd</sup> and kindergarten students have completed their first round of interim testing and 3<sup>rd</sup> and 4<sup>th</sup> grade will complete theirs next week. We are looking forward to how we will be able to use this data to drive our daily instruction and provide assistance, when needed. If you haven't noticed, the construction of our safe room is now officially underway. They have cleared the space for the pad and are beginning to work on the lines needed for water, etc. This safe room will provide so many opportunities for our school and community. Again, thank you for your patience and cooperation with this process. As the weather begins to change, please be sure to label your child's coats, jackets, hats, gloves etc. so that we are able to return them if/when they are lost. I hope that you have a great weekend!
