

Homemade Peanut Butter

Ingredients

1 bag or can of peanuts (substitute almonds, pecans, cashews, etc)

Salt

Directions

1. Add **peanuts** to a food processor and blend until creamy, approximately 3-5 minutes. (If necessary, add a small amount of oil)
2. If the **peanuts** weren't salted, salt the peanut butter to taste.
3. Enjoy and eat with **apple slices**, **celery sticks**, or on top of a **banana**!
