Literacy for Next Week:

Sight Words for Fourth Nine Weeks:

*See attached list of all sight words

Have your child use sight words in short sentences. Use those flashcards!

Unit of Study: American Symbols

Letter Identification and Sounds

Week of April 2, 2018

In an effort to keep our students safe, when visiting the school, please always enter in through the office. You MUST have your ID scanned by a person in the office. If you do not have your ID, you will not be allowed to go further into the building.

Donations Needed!

Clorox Wipes
Black Dry Erase Markers

Thank you for your support with needed classroom supplies!

Math:

- * Counting to 100
- * Composing and decomposing numbers within 10
- * Number formation 0-20
- * Addition and subtraction concepts

Please make sure you are reading with your child every night! Remember to have them retell the details of the story to you. Also, have them read with expression.

Important Dates:

Field Trip: April 27th
Be looking for notes that will be coming home with field trip information. You will also receive a behavior contract that requires a parent signature. This will give expectations of student behavior in order to attend the field trip.
Thanks!
