### Literacy for Next Week:

#### Review all sight words

Refer to the complete list that was sent home last week.

Have your child use sight words in short sentences and stories. Use those flashcards!

Letter Identification and Sounds

### Math:

- \* Counting to 100
- \* Composing and decomposing numbers within 10
- \* Number formation 0-20
- \* Addition and subtraction concepts

Please make sure you are reading with your child every night! Remember to have them retell the details of the story to you. Also, have them read with expression.
