

## *Youth Bowling Registration*

### *"Let the good times roll"*

### **What?**

The Conway Youth Bowling Program is registering for our 12 week Fall season. We offer trained coaching for ages 5 - 19 on the fundamentals of bowling.

Our leagues are by age divisions and teach sportsmanship, social skills, teamwork and many more life skills. Every bowlers (Prep - Jr/Sr divisions) will immediately begin building a scholarship fund through the United States Bowling Congress, simply by bowling.

We offer flexibility unlike any other sport, because we believe keeping the kids active is good for the kids. With bowling, they have the ability to participate in multiple sports. Our pre-bowl / post-bowl policies allow kids to miss Saturday and make it up on another time. Even if the player doesn't make up the games, the team does not suffer, as they receive a blind score as if the player was there.

Kids can join a team or make up a team of friends. No draft or tryouts. Everyone plays and our handicap system levels the playing field, so all kids can compete. **NOBODY SITS ON THE BENCH!**

We offer a "fun guarantee"...the kids bowl the first week, they don't like it, we will refund all registration fees.

### **When & Where?**

Registration will begin Saturday, August 26th, 10am - 12 noon at Conway Family Bowl. The kids will receive 2 free games and a drink just for registering.

We start bowling September 9th @ 9:30am with late registration at 8:30am.
